

CONSTRUCTION NOTICE

OCTOBER-NOVEMBER, 2016

Beginning October 11, 2016, EPCOR will be in your neighborhood upgrading our power infrastructure in order to enhance the safety and reliability of the power supply in your area. We anticipate the work to be completed by mid-November.

The four construction areas are shown on the maps on the opposite side of this page. Crews will be at each location for approximately 7 days.

Please note the road closures indicated in red on the maps.

What to expect during this construction:

- **HOURS OF OPERATION:** We anticipate our hours of work to be Monday to Saturday from 7:30 am to 7:30 pm
- **WHAT YOU WILL SEE:** Hydrovac trucks, service vehicles, barricades, fencing, and construction equipment.
- **POWER SUPPLY:** There will be no disturbances to your power supply.
- **CONSTRUCTION NOISE:** This type of work may be noisy at times and we will comply with the City of Edmonton's Community Standards Bylaw for Noise Control. If it is necessary to temporarily exceed acceptable noise levels, we will work with the City of Edmonton to obtain the required permits.
- **WORKSPACE:** All construction activities will be performed in accordance with the City of Edmonton bylaws, Occupational Health and Safety requirements as well as EPCOR's health, safety and environmental procedures and guidelines. The work area will be maintained in a safe and secure manner.
