**HELP SHAPE  
STRATHCONA'S  
FUTURE.**

# WE WANT TO HEAR FROM YOU

The City will share the draft concept design for the neighbourhood, including:

- Locations for measures to reduce speeding and shortcutting
- New bike infrastructure proposed on 87 Avenue, 100 Street and 98 Street
- Improvements to park spaces including Fred A. Moire Park and Tubby Bateman Park
- Pedestrian crossing enhancements/improvements
- Discussion on Councillor Henderson's motion for a 30 km/h design speed for the entire neighbourhood

## Drop in and let us know what you think.

Your input will refine the draft concept design.  
The final design will be shared in September 2018.
