## HAPPENING IN OUR CITY

### Dutch Elm Disease and Firewood

The City of Edmonton is warning residents and visitors of the potential impacts of Dutch elm disease and emerald ash borer on Edmonton's urban forest. Residents and visitors planning summer camping or leisure activities should not bring firewood from other communities back to Edmonton.

### Reuse Centre Back to School Swap

Bring up to five school related items that the Reuse Centre doesn't normally accept and swap for others! These can be reusable water bottles, lunch boxes, sneakers and more! Swaps are held at the Reuse Centre, 6835 83 St. between 10 am and 3 pm on August 17th. For more information, visit: [www.edmonton.ca/reusecentre](http://www.edmonton.ca/reusecentre)

### City's Bike Education Presentations

City of Edmonton Bike Education Street Team is offering presentations from July 14th to mid of November. We would love to offer something to your organization to help invite more people into cycling. For more information [bikesandscooters@edmonton.ca](mailto:bikesandscooters@edmonton.ca)

### Take charge or proper battery disposal.

No matter how small in size, lithium batteries and electronics (e-waste) represent a big safety risk if not disposed of properly. Electronic waste should never be placed in the garbage, but instead, taken to a nearby Eco Station or participating drop-off location for safe disposal. Find all this information and more at [edmonton.ca/batteries](http://edmonton.ca/batteries)

### World Clean Up Day is on September 20, 2024

More than 190 countries take action on this day to clean their communities, cities, and the planet. Join Capital City Clean up to work towards a greener, healthier Edmonton. Request a free litter kit at [edmonton.ca/LitterKit](http://edmonton.ca/LitterKit) while supplies last. [edmonton.ca/litterkit](http://edmonton.ca/litterkit)

<p><b>City asks residents not to bring firewood to Edmonton</b> The City of Edmonton is warning residents and visitors of the potential impacts of Dutch elm disease and emerald ash borer on Edmonton's urban forest. Residents and visitors planning summer camping or leisure activities should not bring firewood from other communities back to Edmonton. It is essential to prevent the spread of pests that could devastate nearly half of the City's boulevard and open space trees. Individuals who have already brought firewood to Edmonton are strongly encouraged to bring it to their local Eco Station for immediate disposal or burn it completely. Residents are advised to report all suspected Dutch elm disease and emerald ash borer symptoms to 311 or through the online reporting service. The City is working to complete an external visual inventory of ash and elm trees located on private property and inform residents about steps to identify and protect their ash and elm trees.</p>	<p><a href="http://edmonton.ca/DutchElm">edmonton.ca/DutchElm</a> <a href="http://edmonton.ca/EmeraldAsh">edmonton.ca/EmeraldAsh</a> <a href="http://edmonton.ca/EcoStations">edmonton.ca/EcoStations</a></p>
<p><b>Fire Station Open Houses</b> Edmonton Fire Rescue Services is excited to open its bay doors to visitors once again! Edmontonians will have the opportunity to meet their friendly neighbourhood firefighters and fire prevention officers, check out the fire trucks and equipment, and learn important fire safety information during select open houses through the summer months. August's open houses feature Capilano Station 11 on August 10 and Lauderdale Station 10 on August 24.</p>	<p>Learn more at <a href="http://edmonton.ca/EFRSOpenHouses">edmonton.ca/EFRSOpenHouses</a>. <p><b>Reuse Centre Back to School Swap</b> - Bring up to five school related items that the Reuse Centre doesn't normally accept and swap for others! These can be reusable water bottles, lunch boxes, sneakers and more! Swaps are held at the Reuse Centre, 6835 83 St. between 10 am and 3 pm on August 17th. If you'd like to drop off your items early to allow the swap to have a strong start for firstcomers, please bring your items to the Reuse Centre drop off area during operating hours and let them know the items are for the swap. While the swaps are at no charge, we do ask that you bring in your donations for the Reuse Centre. As the Reuse Centre will be open during the time of the swap, make sure to stop to drop off your donations while you're here.</p>	<p>For more information, visit: <a href="http://www.edmonton.ca/reusecentre">www.edmonton.ca/reusecentre</a></p>
<p><b>City's Bike Education Presentations</b> City of Edmonton Bike Education Street Team is offering presentations from July 14th to mid of November. We would love to offer something to your organization to help invite more people into cycling. We will cover: Discussion around any barriers to cycling (like not owning a bike, not knowing where to ride, bike is disrepair) and resources to help people overcome those. Tips to cycle confidentially along bike lanes, shared pathways and quiet residential shared roads. Information on Edmonton's bike paths, to help plan your routes. Cycling opportunities like ride alongs, cycling groups, and recommended cycling routes.</p>	<p>For more information <a href="mailto:bikesandscooters@edmonton.ca">bikesandscooters@edmonton.ca</a></p>
<p>Batteries are everywhere! So <b>take charge or proper battery disposal</b>.  No matter how small in size, lithium batteries and electronics (e-waste) represent a big safety risk if not disposed of properly. Electronic waste should never be placed in the garbage, but instead, taken to a nearby Eco Station or participating drop-off location for safe disposal.  Electronic items with internal lithium batteries can cause fires as they go through collection and processing, putting staff and facilities at significant risk. They can also leak toxic chemicals into the air, soil and water. The number of devices containing batteries has significantly increased in recent years. If it makes noise, lights up or connects to the Internet, it probably contains a battery. Cell phones, tablets, power tools, e-mobility devices and vapes are just a few of the electronic devices that are often improperly disposed of. If you're unable to properly dispose of your used batteries right away, place tape over both ends while you store them. The tape prevents the battery from connecting and reacting with other batteries while you collect them for proper disposal.</p>	<p>Find all this information and more at <a href="http://edmonton.ca/batteries">edmonton.ca/batteries</a>  Find your nearest Eco Station at <a href="http://edmonton.ca/ecostations">edmonton.ca/ecostations</a> and learn more about how to properly dispose of any item through our WasteWise website or app.</p>
<p><b>Wedgewood Surplus School Site Rezoning</b> The City of Edmonton invites your feedback on a rezoning in Wedgewood. The application is to rezone a surplus school site in Wedgewood Heights located at 1003 and 1021 Wedgewood Blvd., from the Parks and Services Zone (PS) and the Medium Scale Residential Zone (RM h16) to the Parks and Services Zone (PS) and the Medium Scale Residential Zone to allow for the development of multi-unit housing, including low housing and/or apartment housing. This allows for the zoning to move to a new portion of the site. To provide your comments or feedback, visit <a href="http://engaged.edmonton.ca/wedgewoodheightssurplus">engaged.edmonton.ca/wedgewoodheightssurplus</a>. Engagement is open from July 22 to August 11.</p>	<p>For more information visit: <a href="http://engaged.edmonton.ca/wedgewoodheightssurplus">engaged.edmonton.ca/wedgewoodheightssurplus</a>  For more information on the City's efforts to build affordable housing, visit <a href="http://edmonton.ca/HousingDevelopments">edmonton.ca/HousingDevelopments</a></p>
<p><b>Summerlea Surplus School Site Rezoning</b> The City of Edmonton welcomes your input to a rezoning request for the community of Summerlea. The application is to rezone 9020-175 Street NW, 9104-175 Street NW and 17503-93 Avenue NW from the current Future Urban Development Zone (FD) to the Medium Scale Residential Zone (RM h23) and the Neighbourhood Parks and Services Zone (PSN). This will allow the project to move from the original surplus school site at 17503-93 Avenue NW, to this location. The RM h23 zone allows for the development of a multi-unit housing project of up to six storeys with a minimum density of 75 units per hectare. The PSN zone applies the correct zoning to the existing park. Share your thoughts and comments by visiting <a href="http://engaged.edmonton.ca/summerleasurplus">engaged.edmonton.ca/summerleasurplus</a>. ## **Hall and Grounds Renewal Update - Sept 2024**

In July, we were invited to submit an application for the Community Facility Enhancement Program (CFEP) provincial grant. We submitted our application at the end of August for just under \$850,000 and await an answer from them in January 2025.

In the meantime, work has commenced on the outdoor grounds portion of the project. The rink has been dismantled and the support posts have been removed. Work started on September 6 on the resurfacing of the asphalt on the tennis courts with the tennis fencing being removed and the asphalt being torn up. At this time, the work is expected to be fully completed by September 18, after which the League will work to reassemble the rink in the new location in time for the 2024/25 rink season.

Shout out to all the volunteers who have helped with the rink dismantling and landscaping so far. We will be looking for more volunteers in late Sept/ early Oct to reassemble the rink.

The HGRC is:

Roger Tassie, Scott Wright, Gord Lacey, Jeanie McDonnell, Nathan Carroll, Sally Hammell, Cheryl West-Hicks, Jessica Berger, John de Haan

Next Meeting: Sept 17, 2024 at 12pm (virtual touchpoint)

## Strathcona Centre Community League Motion: Template

<b>DATE</b> 2024-09-09	Date of the meeting 2024-09-09
<b>MOTION</b>	Move that the Board approve upcoming expenditures for Grounds renewal work and to set a cap for future expenses under which HGRC can approve an expense immediately.
<b>MOTION IS MOVED BY</b>	Sally Hammell
<b>MOTION IS SECONDED BY</b>	John de Haan
<b>BACKGROUND</b>	<p>These significant grounds renewal expenses will be incurred soon:</p> <ul style="list-style-type: none"><li>Up to \$37,000 for rink post removal and resetting;</li><li>Up to \$42,000 for new fencing around the hockey rink;</li><li>Up to \$1,500 to survey new rink post locations; and</li><li>Up to \$7,000 for asphalt coring at new post locations.</li></ul> <p>For future expenses under \$10,000 it would be helpful if HGRC had the authority to approve the expense immediately, as long as it falls within work already funded in principle and the Board has an opportunity to review the expense at its next meeting.</p>
<b>RATIONALE</b>	A funding reserve has already been approved for the Hall and Grounds Renewal project; this motion is to

	<p>authorize specific payments under the project.</p> <p>Granting HGRC authority to approve smaller payments allows the Committee to react quickly and efficiently to issues that arise during the course of construction.</p>
<p><b>DOES THIS REQUIRE ADDITIONAL FUNDING?</b></p>	<p>Reserve, grant, and other funding available to the project to date is \$850,00. We have applied for an additional \$850,000 from CFEP.</p> <p>To date, the League has spent \$24,746 for various project activities, and has approved \$99,983 for asphalt paving.</p> <p>Total expenditures to the end of Phase 1 - Grounds (including expenditures in this motion) is estimated to be \$230,000.</p>
<p><b>SUPPORTING DOCUMENTATION</b></p>	
<p><b>OUTCOME OF MOTION</b></p>

### **St Anthony School Site**

<https://engaged.edmonton.ca/strathconastanthonschoolsite>

The City has received a rezoning application from Situate Inc. to rezone 10425A and 10425 - 84 Avenue NW. The current zone is the [Parks and Services](#)

[Zone\(External link\)](#) (PS) and the proposed zone is the [Mixed Use Zone\(External link\)](#) (MU h30.0 f5.5) which would allow:

A range of uses that support housing, recreation, commerce and employment opportunities.

A maximum height of 30.0 metres (approx. 8 storeys).

A maximum floor area ratio of 5.5 - 6.5.

You are invited to learn more about the application and share feedback online. The following engagement opportunities are open from Aug 26, 2024 until September 8, 2024.

I met with the developer rep from Beljan and they are in the early design stage. They intend to keep the historic St. Anthony School as part of the building as it is on the list of municipal historic resources and will be applying for funding to retain the building.

**Priority Growth Rezoning**

[https://www.edmonton.ca/city\\_government/city\\_vision\\_and\\_strategic\\_plan/priority-growth-area-rezoning](https://www.edmonton.ca/city_government/city_vision_and_strategic_plan/priority-growth-area-rezoning)

There is city-led rezoning in the key main street and urban center areas to encourage more housing. The Garneau area has held the first open house and the primary concern is where the density will occur and the request to have at least 30 % of housing be varied and not all student housing. There is concern over maintaining the character of the neighbourhood as well as ensuring the viability of the schools.

## Programs Report

September 9, 2024 Board Meeting

### League Programs

Fall league programs will be resuming this month: yoga classes, Mindful Movements (new), and kids' art classes. The instructors are looking forward to the registration lists from Scott soon.

Essentrics will not be offered until the new year. The new beading workshop was cancelled last Saturday but we hope to have one on Saturday, October 5th.

I recognize that the past month has been busy for volunteers and Scott with the work on the grounds. Thanks as always to John for creating registration pages in advance of advertising. I send the links to the instructors to share with former students. More digital advertising of programs would be helpful to increase the number of registrations. Programs will also be promoted at the Old Strath Mini Folk Fest.

The playgroup is seeking new parent volunteers to open and close the hall on Thursday afternoons, 2-4 p.m. Contact me if you know of anyone.

With the renewal of the movie license with ACF, it is time for Emily and me to think of free film screenings for our community. Check the website [Audio Ciné Films Inc. \(acf-film.com\)](http://www.acf-film.com) to see what interests you.

### City of Edmonton

The 2024-2025 Community Swim on Saturdays, 3-5 p.m., and Sundays, 1-3 p.m., starts this month. Share this link with your family and friends to consider a trip to the Commonwealth Community Recreation Centre to use the pool and fitness facilities. Show your community league membership for free admission.

## Wellness & Safety - September, 2024

### Recent activity:

- Lost funding for our social worker (all social workers across the city).
- Met with an EPS officer watching over vacant buildings in the neighbourhood. He's working with other agencies to have the buildings boarded up and the homeowner fined if the building isn't properly secured.
- Set up a form to track theft/damage at the community garden. Have had 10 responses so far, with the majority being theft. Strawberries, zucchini/squash and potatoes are the most popular.
- You may recall that the city reviewed their sandbox locations last year. They've announced that we will have a single sand box in the community, located at 9651 - 87 Ave (the bottom of the 87 ave hill). The other 15 sandboxes, including the one at the hall, will be removed.
- EPS carried out a major operation on 99st and 85 Ave recently. The Rentex apartment was raided, and 10 individuals were arrested, including one considered "high profile." EPS is still processing the items seized at the apartment; 3 separate apartments were raided. A short time later the main office of Rentex was also raided on Calgary Trail.
